July 23, 2025

To the Residents of Main Street Rosendale,

The New York State Department of Transportation will be removing and replacing sidewalks on State Rte. 213 (Main Street) in the Town of Rosendale. The work is scheduled to take place this summer. The NYSDOT Contractor has informed us they hope to begin operations for this construction on July 30, 2025. Daily lane/shoulder closures will probably start next week (July 28, 2025) along Rte. 213 so the demo work of the existing sidewalks can begin. Access to the residents along Rte. 213 during demo work will be maintained, however, of course the sidewalks will be closed as work progresses. This work will be done on the sidewalk between Stewarts and 322/325 Main Street on both sides of the street.

Thank you for your cooperation during this time.

Sincerely,

Jeanne L. Walsh
Supervisor
Town of Rosendale
