

**RESOLUTION - APPROVING THE PURCHASE AND INSTALLATION OF A DOOR ACCESS CONTROLLER FOR THE A AND C WING OF THE RONDOUT MUNICIPAL CENTER**

**WHEREAS**, the safety and security of the employees at the Rondout Municipal Center is a priority; and

**WHEREAS**, the current access control system is outdated and insufficient to meet the growing security needs of the facility; and

**WHEREAS**, the need for a more reliable and modern door access controller system has been identified to enhance the security of the premises and to better manage access to restricted areas; and

**WHEREAS**, after conducting necessary evaluations, it has been determined that the purchase and installation of the door access controller from Cyber Guardian Consulting Group, LLC (who provide IT services for both Towns) will provide the most effective solution for the Rondout Municipal Center's needs; and

**WHEREAS**, the cost of the purchase and installation of the door access controller is \$3,949.56, which is within the approved budget for security enhancements.

**NOW, THEREFORE, BE IT RESOLVED** that the Town Board of the Town of Rosendale approved the Supervisor to execute all necessary agreements and documents to complete this purchase and installation which have been attached and made a part hereof; and.

**BE IT FURTHER RESOLVED**, that this resolution shall become effective upon its passage by both the Town Board of Rosendale and the Town Board of Marletown.

Motion made at a regular meeting of the Town Board of the Town of Rosendale, September 10, 2025 by Supervisor Walsh and seconded by Councilmember Sweeney.

**VOTING MEMBERS:**

Councilman Cassidy            Yes
